Tool and Equipment Hire Businesses:

(£1.5m to £15m UK wide)

The Hire Exchange Ltd is the first specialist business sales advisory for the tool and equipment hire sector. We have buyers for general and specialist hire companies, including Traffic Management, Powered Access and Welfare. So, if you are interested in selling, we'd love to talk to you.

With extensive experience and contacts in this sector, we are the 'go-to' company to connect buyers and sellers for a faster, easier and more cost-efficient service.
